Judge Webster:

I recommend you call Chairman Stokes to make two points:

1. Thank him for reaching an understanding on Monday relating to oral reporting procedures regarding sensitive proprietaries.

2. You would like Chairman Stokes to inform Mike O'Neil that CIA will be sending Mike a brief paragraph outlining reporting procedures for especially sensitive proprietaries.

Russ Bruemmer and I will be showing you the "procedures" for your final approval. We will not send them to Mike until we get your okay.
